THE POWER TO LEARN

# Direct delivery to young people: Revision

An abstract graphic of a head profile in shades of yellow and red, with flowing, energetic lines extending from it. The lines are thick and curved, creating a sense of movement and energy. The background is white with some faint, light-colored splatters.

'I am astounded by the impact of UFA on some of the young people I work with. They have much more confidence and are engaging and enjoying their learning'
