

THE POWER TO LEARN

Extended Learning: UFA Learning Club Franchises

An abstract graphic of a face is positioned in the center of the page. The face is drawn with simple, dark lines, showing the eyes, nose, and mouth. From the mouth, several thick, flowing lines in shades of yellow, orange, and red extend outwards, creating a sense of movement and energy. The background is white with some faint, light-colored splatters.

'I am astounded by the impact of UFA on some of the young people I work with. They have much more confidence and are engaging and enjoying their learning'

Making a Difference with UFA LIFT Clubs

Are you a Teacher or Teaching Assistant, retired or otherwise? Or possibly you are a trained mentor, Nursery Nurse or Youth Worker? Or maybe you are a full time parent looking for part time work with young people? Or you just want to be more active in your local community...?

If you can say yes to any of the above then the University of the First Age LIFT clubs might be just what you are looking for!

UFA LIFT after school clubs

The LIFT clubs are aimed at providing children and young people with fun and educational activities, a safe space to make new friends and learn about being smart! Each session will be made up of games and activities, as well as a chance to do homework or learn about how to make the most of your brain.

All the activities have been developed by the UFA's training team, a group of highly experienced teachers, counsellors and psychologists with many years experience in the field of education and training.

The UFA are looking for committed individuals who would be interested in buying a UFA franchise and running their own weekly UFA LIFT club in their local area. The clubs would be open to young people aged between 8-15 years of age and would run after school.

The UFA would train and support you in establishing and marketing the clubs and you would have access to the UFA LIFT Clubs website and merchandise. For more information or to attend our 'Tell Me More Taster sessions, contact us.

Location: Initial training at the UFA Head Offices in Birmingham

Cost: £3900 per franchise
